

Approved Applicator Certificate

G-Floor Engineering Solutions

This is to confirm that G-Floor Engineering Solutions is a Recommended (Approved) Applicator for the following applications of Bodo Moller Chemie Products:

Bodo Moller Epoxy Systems

The Recommended Approved Applicator has received practical training in the proper storing, preparation and application of the Bodo Moller Epoxy System

The Recommended (Approved) Applicator is aware of the relevant Bodo Moller Chemie Products Data Sheets and all other technical documentation

This Confirmation is valid for one year from its date of issuance and may be renewed subject to the Recommended (Approved) Applicator successfully completing any training courses required by Bodo Moller Chemie.

Bodo Moller Chemie is not responsible for the Recommended (Approved) Applicator's compliance with Bodo Moller Chemie guidelines or training instructions or any other requirements of third parties. Bodo Moller Chemie is not liable for any acts or omissions of the recommended (Approved) Applicator arising in any way, including, but not limited to, any breach of contract; or any tort (including negligence); or any breach of statutory duty.

This certificate is given to G-Floor Engineering Solution in accordance of their request without any responsibility on Bodo Moller Chemie Egypt Company.
